# ALPHA FREEDOM 6"

HANDS FREE® POLISHABLE TOE

When speed, agility, and readiness are your top priorities, you need a **HANDS-FREE** boot that can go further, faster, and longer than any normal duty boot would dare. The **ALPHA FREEDOM** is the operator tested force multiplier you need to reduce go-time lag and increase your field performance.

- Jacquard knitted textile upper in 50% Recycled Polyester with polishable leather toe
- Hands Free® cage counter made from T-Blend 2101-90N which is a pre-formulated and pelletized thermoplastic elastomer compound for durability, with stretchable textile lining and elastic band shearing for ease of step-in and removal
- Ortholite footbed provides comfort that will not diminish over time.
- Adjustable hidden Velcro between tongue edge and top eyestay provide a secure, customized fit
- Cat Tongue lining maintains foot placement without impeding necessary movement
- 3mm square lace with increased strength and durability
- Airport friendly construction
- Slip Resistant rubber outsole exceeds ASTM F2913 for slip resistance
- Ergonomically molded thermoplastic toe box ensures ideal fit from first wear
- Heel counter custom shaped with Back Part Molding to eliminate "break in" discomfort
- Advanced UFit lacing system ensures that the foot is properly positioned within the boot to eliminate rubbing and discomfort

16.23 oz (460g)
