

# ALTAMA®

## HELIOS SBM

COYOTE / 387303

- Perforated suede leather and 1000D Cordura® upper for durability and breathability
- Integrated textile loop lacing system
- Moisture-wicking air mesh lining with AEGIS antimicrobial protection
- TruFit sizing allows total fit customization for each foot by the addition or removal of TruFit spacers under the footbed
- Heel counter is Back Part Molded to produce a customized curve that cups the foot, eliminating "break-in" discomfort
- Ergonomically molded thermoplastic toe box ensures ideal fit from the first wear
- Soles by MICHELIN outsole for superior durability, traction and agility
- Airport friendly nylon shank
- Padded collar for added comfort
- AR 670-1 Compliant

27.4 oz (776.8 g)

**MEN'S TruFit SIZES**

5-12, 13, 14, 15
